The American Ballet Theatre Jacqueline Kennedy Onassis School would like to invite students who are interested in attending the school year-round to audition during the Summer Intensive. If you are interested in auditioning for the JKO School, it is important that you consider the following details: The JKO School is a full year pre-professional program for dancers ages 12-18. There is no housing associated with the program so any students coming from out of town must arrange their own housing. If you would like to be considered for the JKO School this summer, complete the online form on your ‘Summer Intensive Student Portal’ no later than May 31, 2019. You should only consider auditioning if it is a realistic possibility for you to come to the school in the fall. Students will be notified of the results of their audition as soon as possible following the conclusion of the program. If you have any questions about the JKO School, please visit the website at http://www.abt.org/training/dancer-training/jko-school-pre-professional/.

If you have any questions, please do not hesitate to contact me by emailing utabt@austin.utexas.edu or by phone at 512-232-7099.

Housing and Food Service

Dormitory

The UT ABT residential staff consists of 20-22 adult staff members (mentors and supervisors) who live alongside the dancers in the dormitory and provide a 24-hour chaperoned experience throughout the Intensive. Mentors will be assigned to oversee groups of students and will escort them to all meal times, classes, and activities. Supervisors provide preliminary administrative support for student concerns and serve as the liaison to the program coordinator throughout the Intensive. The program coordinator and all ABT residential staff are on call from check in to check out.

Residential students live with a roommate and share a community bathroom in Moore-Hill Dormitory. Although requests cannot be guaranteed, students may indicate a preferred roommate on the registration form in DocuSign. If no preference is indicated, an effort will be made to match students of the same age. Roommate assignments are subject to change and are at the discretion of the UT ABT office staff.
All dorm rooms have microwaves and small refrigerators. The dormitory provides internet accessibility to those bringing personal computers. There are no public-use computers available to students.

**Students are advised to keep their room locked and to leave non-essential and valuable personal items at home.** Never leave personal items unattended. The University of Texas cannot be responsible for students' money or other personal items.

Boys and girls will be housed on separate floors in the dormitory. Boys are not allowed on the girls’ floors at any time, nor will the girls be allowed on boys’ floors. Students are not permitted to enter each other’s dormitory rooms and are to socialize in approved common areas with supervision. All residential mentors and supervisors will strictly enforce these policies.

Laundry facilities are accessible in the common area on the first floor of the dormitory. Students may use these facilities during non-class times as long as an ABT staff member is present in the area. Students must get permission from their dorm group mentors to use the laundry facilities.

**Dining Center**
Jester Center (201 E. 21 St.) is located directly across from Moore-Hill Dormitory.

- **Residential students** receive three meals a day in Jester Center’s 2nd Floor Dining Area (J2). The recently renovated cafeteria offers a contemporary take on traditional buffet dining. This buffet includes a dedicated gluten free line and is capable of modifying meals for guests with **dietary restrictions**.*
- **Day students** are strongly encouraged to purchase a day student meal card from the online store.

**DAY STUDENTS WILL NOT BE PERMITTED TO ENTER THE J2 DINING HALL WITHOUT A MEAL CARD.** Day students who elect to bring lunch will be seated in a chaperoned area outside of the dining hall. This is a University Dining and Food Services policy and is not within the control of the ABT Intensive. If your student does not elect to purchase this meal card, they will be expected to pack a lunch daily.

* **Dietary Restrictions**
The University of Texas has licensed dietitians who work with students to ensure that their dietary needs are met. If your dancer has a **food allergy or special diet, please email us by June 3, 2019** to discuss details. At your request, we will arrange a consult with a dietitian who will be available to assist with navigating the dining hall. Additionally, please know that ABT staff is CPR and Epipen certified. The J2 dining hall will offer a tour to students with food restrictions within the first 24 hours of the Intensive. Students are encouraged to bring safe snacks to keep in their dormitory.

- Students must follow all applicable policies outlined in the forms in DocuSign including the Dormitory and Quiet Time Policies and Day Student forms.
- Students must obey the strict “Lights Out” rule at 10:00 p.m. nightly, and stay in the dorm room assigned to them. *If an emergency arises that requires a student to leave their dorm room after 10:00 p.m., the student must alert ABT staff immediately.*
- Students should carefully read the daily bulletin board. It contains up-to-the minute information on rehearsals, classes and special activities.
- Students may not drive or have cars on campus during Intensive. Due to university parking restrictions, UT does not offer parking permits.
- Students may not operate motorized scooters at any time for any reason.
# EXAMPLES OF UNACCEPTABLE CONDUCT

- Violations of safety rules or accepted safety practices.

Students who are dismissed will be sent home at the expense of the parent or legal guardian. If a student is dismissed for reasons of unacceptable conduct, there is no refund on tuition or room and board. Any student dismissed under these conditions will not be allowed to return to ABT/UT in subsequent summers. It is the responsibility of the program coordinator to make decisions in this area.
HEALTH CARE AND MEDICAL SERVICES

All ABT Summer Intensive participants receive medical care at University Health Services (UHS). UHS is located on the UT campus in the Student Services Building at 100 W. Dean Keeton Street, Austin, Texas 78712. The summer operating hours for the University Health Services are from 8:00 a.m. - 5:30 p.m. Monday through Friday.

Participants under the age of 18 in need of medical attention outside of UHS’s hours and/or those with potentially serious or life-threatening conditions will be taken to Dell Children’s Medical Center of Central Texas. The Dell Children’s Medical Center is located at 4900 Mueller Boulevard, Austin, Texas 78723.

Participants who are age 18 at the time of the Intensive and in need of medical attention outside of UHS’s hours and/or those with potentially serious or life-threatening conditions will be taken to St. David’s Medical Center. The St. David’s Medical Center is located at 919 E. 32nd Street, Austin, Texas 78705.

UHS is a full-service ambulatory healthcare clinic, with on-site laboratory, radiology, and pharmacy facilities. All ABT Summer Intensive participants are seen in the UHS Urgent Care Clinic. A physician and supporting clinical staff provide treatment in this area. If any student is seriously ill or injured, it is the policy of UHS that the doctor on the case will contact the parents. Individuals with potentially serious or life-threatening conditions will be taken directly to a hospital emergency room.

Students who require medical attention will be accompanied to the University Health Services by ABT staff.

All medical costs incurred for treatment will be the responsibility of the parents or guardian of the individual treated.

Some health maintenance services are available for program participants with special needs, such as frequent allergy injections, as long as they can be administered at University Health Services during the regular hours of operation. Participants or parents of minors should contact the program coordinator by phoning 512-232-7099 to make arrangements with University Health Services for these services.

Consent for treatment of a minor is required by law in order for University Health Services to render any medical treatment except in life-threatening situations, thus, no student will be registered for the ABT Summer Intensive without a Consent for Treatment form. (Please see form in DocuSign) The consent form requires four signatures by the parent/legal guardian – one giving permission to release health history information, one releasing liability in regards to administering medication, one giving permission for the minor to receive treatment and the other acknowledging that they have received a copy of the UHS “Notice of Privacy Practices.” (Please see page 18)

University Health Services Charges

All summer program participants who go to UHS for medical care are charged $60.00 per office visit. There are additional charges for many of the procedures clinicians may need to perform in order to diagnose and treat illnesses or injuries. Samples of services with additional charges include:

- Lab tests, X-rays
- Casts, splints, crutches and dressings
- Injections and IVs
- Nebulizer or other asthma treatments
- Medications and pharmacy supplies

The participant will receive a bill from UHS immediately upon being treated.

The participant or parent/legal guardian must pay this invoice by the end of the next business day following the participant’s treatment.

UHS accepts cash and major credit cards.

UHS does not accept outside insurance for medical services. The UHS staff can provide information that may be needed for patients to file claims with their own insurance companies, if their insurance plans allow them to do so.
Please be sure to provide a copy of your child’s medical/prescription card. This will be required at check in on July 7. In the event your child needs medical treatment from St. David’s Medical Center, Dell Children’s Medical Center or a specialist, we will present this insurance card on your behalf.

**ABT Protocol for UHS Visits/Medical Care**

The dancer plays an important role in self-care. If a dancer has a health concern, it is essential that they inform an ABT staff member as soon as possible. These staff members are available 24 hours a day.

1. Student informs an ABT staff member that they have a health concern and want to be seen by a medical professional.
2. In consultation with the program coordinator, ABT staff will determine if the situation is emergency or non-emergency.
   - If deemed an emergency, ABT will seek medical treatment and attempt parent contact* as soon as possible.
   - If non-emergency, parent contact* will be made prior to treatment.
     - We will request verbal authorization** to take your child to the clinic. If this authorization is granted, ABT staff will escort your child to the clinic and follow-up as they are able.
     - An approved person listed on the DocuSign forms may arrange to take students to receive medical treatment elsewhere.

*ABT will make contact with persons listed on the DocuSign forms in the order that they are listed. Once contact has been made with a parent/guardian/emergency contact, ABT will communicate with the “primary” or the first person listed on the forms.

**In the event that a dancer is not able to complete classes and parents are unwilling to grant verbal authorization for treatment, dismissal from the program may be recommended. Students who are dismissed will be sent home at the expense of the parent or legal guardian.

**Physical Therapy Services**

Students will have access to physical therapy services on an as needed basis during the Intensive. These services are available at no cost to ABT participants. If you believe that your student could benefit from physical therapy, please review the below information regarding protocol.

**Physical Therapy Protocol**

Students must submit a referral for physical therapy from University Health Services and/or a licensed medical professional prior to treatment. This referral must include specific information regarding areas to be treated and a diagnosis.

Upon receipt of the referral for physical therapy, ABT staff will request that parents/guardians submit a completed "Consent for Therapeutic Procedures" form. These forms are available on an as needed basis and will not be sent without a referral for physical therapy. Please be advised that the ABT office only processes this paperwork during normal business hours.

After UT/ABT receives both of the above documents, students may schedule a 15-minute physical therapy session. These sessions are typically offered on Tuesday and Thursday evenings from 5:30 p.m. to 7:30 p.m. If a student is interested in scheduling a physical therapy session, they should alert an ABT staff supervisor no later than 9 a.m. on the day that they wish to be seen. Space is limited and will be prioritized based on severity of injury.

VI. You Have Rights Regarding Your PHI. You have the following rights regarding your PHI, provided that you make a written request to invoke the rights on your own behalf by UHS.

   1. Right to request restrictions. You may request limitations on our use or disclosure of your PHI for healthcare treatment, payment, or operations (if you are a minor, we will ask you not to disclose that you have had a particular surgery), but we are not required to agree to your request. If we agree, we will comply with your request unless the information is needed to provide you with emergency services. However, if you ask us not to bill your insurer for an item or service and pay in full out-of-pocket instead, you may ask that your PHI related to that item or service be disclosed to your insurer for purposes of payment or healthcare operations. In such case, we will honor that request.
   2. Right to inspect and request a copy. You have the right to inspect and request a copy of your PHI regarding decisions about your care. We charge a fee for copying, mailing, and supplies. Under limited circumstances, your request may be denied. You may request review of the denial by another licensed healthcare professional chosen by you. UHS may comply with the outcome of the review.
   3. Right to an electronic copy of electronic medical records. If your PHI is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or another individual or entity. We will make every effort to provide access to your PHI in the form or format you request. If it is readily producible in that form or format, we will provide the record in that form or format. If it is not readily producible in that form or format you request, your record will be provided in either an electronic format or, if you do not want that format, as a readable hard copy. We may charge a reasonable, cost-based fee for transmitting the electronic record.
   4. Right to receive notice of a breach. You have the right to be notified upon a breach of any of your unsecured PHI.
   5. Right to a copy of this Notice. You may request a paper copy of this Notice at any time, even if you have been provided with an electronic copy. You may obtain an electronic copy of this Notice on our website: healthytips.utexas.edu

VII. Requirements Regarding This Notice. UHS is required by law to provide you with this Notice. We will be governed by this Notice as long as it is in effect. UHS may change this Notice, and these changes will be effective for PHI we have about you as well as any PHI we collect in the future. Each time you register at UHS for healthcare services, you may receive a copy of the Notice in effect at the time.

VIII. Complaints. If you believe your privacy rights have been violated, you may file a complaint with UHS or with the Secretary of the United States Department of Health and Human Services. You will not be penalized or retaliated against in any way for making a complaint to UHS or the Department of Health and Human Services.

Contact: Call the UHS Health Information Management Administrator at 512-475-8432 if:

   1. You have any questions.
   2. You wish to request restrictions on uses and disclosures for healthcare treatment, payment, or operations.
   3. You wish to obtain a form to exercise your individual rights described in paragraph VI.

THE UNIVERSITY OF TEXAS YOUTH PROTECTION PROGRAM

All summer programs involving minors at The University of Texas at Austin follow guidelines set forth by the Youth Protection Program (YPP). The purpose of the YPP is to promote the safety of minors participating in programs on university premises or participating in those programs sponsored or supported by the University. All programs work closely with the YPP Director to ensure that every program operates in accordance with all of the university’s policies, rules and regulations, as well as the laws of The State of Texas regarding the safety of minors. More information about the YPP is available online at www.youthprotectionprogram.utexas.edu, and questions can be directed to the YPP Director at ypp@utexas.edu.

CAMPUS CONCEAL CARRY

On June 1, 2015, Gov. Greg Abbott signed S.B. 11, also known as the "campus carry" law. S.B. 11 provides that license holders may carry a concealed handgun throughout university campuses, starting Aug. 1, 2016. The law gives public universities some discretion to regulate campus carry.

The University of Texas at Austin and President Gregory L. Fenves take issues surrounding guns on campus very seriously and will strive to create policies that conform to the new law, protect the rights of citizens and ensure the safety and security of the entire campus.

S.B. 11 provides that after consulting with students, staff and faculty regarding "the nature of the student population, specific safety considerations and the uniqueness of the campus environment" the university may enact reasonable rules and regulations regarding:

- carrying of concealed handguns by license holders on campus; and
- storage of handguns in dormitories or other residential facilities

The law stipulates, however, that these rules and regulations may not either "generally prohibit" or "have the effect of generally prohibiting" license holders from carrying concealed handguns on campus.

The purpose of the Youth Protection Program (YPP) is to protect all minors in their university-sponsored activities and interactions involving members of The University of Texas at Austin community. Pursuant to S.B. 11 (the "Campus Carry Law"), the YPP Policy prohibits the carrying of a concealed handgun by any person involved in a University of Texas at Austin camp/program for minors. This Policy also applies to parents and guardians who are visiting or transporting a participating minor to and from camps/programs at The University of Texas at Austin.

"PURSUANT TO SECTION 30.06, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH A CONCEALED HANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A CONCEALED HANDGUN"

Please see the Campus Carry Implementation (www.campuscarry.utexas.edu/) website for more information.
